

Cooperation with the Professional Community -Public Information

E.P.G.S.A. Area 59 Panel 75

September 13th, 2026

Area Quarterly Meeting Q4 Fayetteville, PA

Assisting Districts and Intergroups:

We continue to be available and follow up with Districts seeking assistance on CPC-PI work in their districts or along with their intergroups. Some districts and intergroups are particularly interested in expanding their CPC or PI capacity and have reached out to consult with the Area 59 CPC-PI subcommittee.

CPC-PI Subcommittee Digital Presentation Development

Several districts have requested digital presentations for professionals and/or communities that have requested information regarding AA. We are still working to develop a CPC-PI presentation template that can be given to Area 59 districts so that they can use or modify when giving presentations to professionals or the public.

GSO Referrals

We continue to receive and respond to GSO referrals, in most cases this involves coordination with one of the Intergroups in the Area or a District by Committee.

Professionals in AA

One of our subcommittee members is focusing efforts on outreach to AA members that are also serving in professional roles in their careers. We're looking for those members that are willing to speak with their fellow professionals at work, about what AA is and what it isn't.

Upcoming Events Subcommittee Members Will Attend:

Temple Health Fair in Philly on 8/30/26

Senior Health Expo in Richboro on 9/17/26

Community Health Fair in Manayunk – Date and time TBD
