Meeting Opening:

Tara C., Chairperson Panel 75, opened the meeting with the Declaration of Unity and thanked the hosting district, District 35. Tara C. read from "AA Comes of Age."

Acknowledged Guests:

Special Servants: Donald H., Area Archivist; Jessica T., Archivist Assistant; Fred S., Tech Servant; Nick P., Assistant Tech Servant; Jim L., BTG Coordinator

Traditions and Concepts:

- Concept 7 – James R., DCM D49
 - ☐ Set up to establish relationship between the Board of Trustees and GSC.
 - ☐ Trustees are fully empowered to manage and conduct all of AA's world affairs. Conference Charter is not a legal document. The Bylaws are.
 - ☐ AA moves at the speed of trust. AA is structured this way. We need a legal organization to run business of AA but must answer to the membership.
 - ☐ 2 parts – legal entity (sign contracts and operates business) and GSC (voice and spiritual conscience of groups). This Concept defines their relationship.
 - ☐ Board is subordinate to the Conference. We don't have legal authority over them but have the traditions and power of the purse.
 - ☐ Conference has final and ultimate authority. Right of the trustees to function freely.
- Concept 8 – Jonathan S., DCM D54
 - ☐ Trustees act in 2 primary capacities: AA with respect to the larger matters of overall policy and finance and custodial oversight electing directors of these entities.
 - ☐ Boils down to responsibility, authority, trust, and cooperation.
 - ☐ Collect group conscience at the Conference. General Service Board has the responsibility of carrying out the work. They don't carry it out all by themselves. They need Directors, staff, workers, etc. to handle the various areas of service.
 - ☐ Responsibility needs to be matched with authority. Trustees have custodial oversight but are not micromanagers.
 - ☐ Finding the balance between oversight and control and responsibility and authority.
 - ☐ Trust each other to do the work of AA.
- Concept 9 – Tom W., DCM D67
 - ☐ Concept is all about Leadership.
 - ☐ "...at all levels indispensable for our future functioning and safety." Indispensable jumps out to him. Bill isn't saying it is helpful or useful. Saying indispensable. We cannot function without good leadership.
 - ☐ Concept 9 is not just about who leads, but the relationship between our structure and the people we put into it.

- ❑ Leadership has to be renewed. Never something we solve once and walk away from. Spirit of rotation.
- ❑ Good leadership can be here today and gone tomorrow. When choosing people – not about who I like, who has been around the longest – should be about who is the best qualified?
- ❑ Bill praises the 3rd legacy method because it helps make the person chosen feel like a world servant instead of the winner of a contest.
- ❑ Not looking for faceless or perfect leaders. Looking for stability, dedication, and putting principles into action. People will want to back them up. Don't drive by mandate. Don't boss. Willing to change their minds, listens to other ideas. Improving compromises. Structure gives us the framework. Concept gives us the principles.
- ❑ Tom learned there is a difference between taking yourself too seriously and taking the position seriously. Rule 62 used too much in his own personal life and prevented him from taking his service positions seriously in AA. He learned not to do some things in Service now that he did in the past.
- ❑ Shared a story about someone asking their sponsor if she would ever be someone important in AA and the sponsor saying no! Asked if she could do something important in AA and sponsor said just always be there. Position doesn't make us important. The work is what is important, treat it as important. Need to be willing to do something important.
- ❑ Always encourage debate, never discourage. It is how we learn and it is the progress we use to make improving compromises.
- ❑ Reflect on this past panel and see what we have learned.

Volunteers were selected to present on the Concepts at the December Quarterly Meeting:

Concept 10: Liz B., DCM D24 | Concept 11: Fred E., DCM D58 | Concept 12: Josh L., DCM D57

Roll Call | Secretary, Lauren B.

- The Secretary conducted roll call. 6 officers were present, and 36 Districts represented, for a total of 42 out of 54 eligible voting members. Please see the roll call tally attached at the end for details.

Acceptance of Minutes from Prior Quarterly Meeting | Chairperson, Tara C.

- Tara verified members read the March draft minutes (sent a month prior and available on Area59aa.org), and if there were any corrections or changes before voting to approve.
- Lindsay E., DCM D51 made a motion to amend the minutes to include the following:
 - ❑ The Corrections Subcommittee Workshop was held in June and not July. (6/24/26 instead of 7/24/26).
- The minutes were unanimously approved as amended, with none opposed.

Convention Committee Report | Delegate, Dan B., on behalf of Convention Chair, Pete B.

- Excited EPGSA is coming up. Convention is for all AA members.
- Convention Committee is visiting Districts. If you need them to come visit, email them.
- Registration is available on paper or on link on Area59aa.org. Room rates include 4 meals per person.
- Banquet tickets are available on a first come first serve basis for those that are not staying.
- Email Alt Delegate & Secretary for opportunities on volunteering.

Archivist Presentation | Area Assistant Archivist, Jessica T. – EPGSA

- Was originally called the Convention until 1965.
- Voting year. Bill W. wanted it this way. Laid it out in the pamphlet “Your Third Legacy: Will you accept it?” – Talks about State Conventions and how to select Delegates.
- No formal documentation for PA first delegates – The First Delegates were appointed in PA (1 from Eastern half, 1 from Western half). Harrisburg was considered a special area for 1952 Convention.
- Wasn’t until November 21, 1954 that an AA member called for Eastern PA to elect the Delegate. Reportedly held in his garage. At the end of the day, elected State Chair, Delegate, Secretary, and Treasurer. At that time there were only 6 Areas (which were actually districts) and only 83 groups.
- 60s – 70s – Elections were held on Sundays – Made a whole weekend of it because it didn’t take long. Had golf, Horseback riding. – 1962 election started at 2pm and new Delegate was addressing Area by 4. 1966 election was 1 hour.
- Started to cause frustration at the December Quarterly meeting because there were many voting members and it was taking too long. 1976 election people felt that it took too long. Some felt that the speakers at God as I Understood Him meeting influenced the meeting, elections were running over check out time, people got up and left. The next year, the election was held on Saturday.
- Number of groups increased so it took longer to vote. – Saw # of groups, # of groups worldwide, and # of eligible voters. Groups were increasing but # of voters dropped in the early 90s. – 1990s cut back on insurance, large # of court mandated people coming in, internet came out, tech savvy people.

Too many revisions last year on the 2nd roll call. Be in seats, including DCMs. If you need to use the bathroom or get a coffee, do it before or after the roll call. Will be a little more strict this year during roll call. Can't say "Oh my DCM just ran out and will be right back." If they are out of the room, they will not be voting.

- Thanked the Area for the last 2 years serving as Delegate.
- Questions:
 - ❑ Tom W., DCM D67 – EverythingAA app – how much did it cost? They are not telling us. Is that forever?
 - Dan said to look at the Quarterly report. It is listed in the P&L.

DCM Actions:

- James R., DCM D49 – Recently had a request from a GSR. Argument started in a meeting. After meeting ended, outside of the church, an assault occurred and police were not called. Created a safety issue. GSR of the meeting was concerned about how do we keep a meeting safe?
 - ❑ Alan A., ADCM D21 – Safety Card – important to let people know they are not being kicked out of AA but being asked to leave a specific meeting until they can get their emotions under control.
 - ❑ Tom W., DCM D67 – Had this happen a couple of times. Can ask people not to come back to a meeting. 3 months is a normal amount of time. If it is a crime, report it. Don't hide crimes. Safety card. Concern about kicking people out of AA: One person was kicked out of a meeting for 3 months and another group got word about it and they banned them as well for 3 months.
 - ❑ Erin R., DCM D40 – Had something similar in her homegroup. Talked to them and they weren't changing their behavior. Asked that person to not come back for a year. They got that amount from some kind of service literature. He went to other meetings but after a few meetings, he did

come back and made amends. Believes it is in a pamphlet somewhere. Allowed him to come back and he has been fine ever since.

- Lindsay E., DCM D51 – At the District, certain members were concerned about standing for an officer position because their group wouldn't have a GSR. Asking if they can be both GSR and District Officer. Nothing in their District Structure Manual saying if the District Officers can vote / bring motions.
 - ▣ James R., DCM D49 – Deals with a lot. If they are an Officer and GSR, they are welcome to express their group conscience but cannot actually vote. Have a voice but no vote.
 - ▣ Bob P., DCM D30 – Officers are GSR. Has been Secretary & GSR, ADCM & GSR. Now that he is a DCM he has passed it on to his old AGSR.
 - ▣ Nick H., DCM D43 – They only have 14 members. All officers are also GSRs. Never really ran into issues with it. Let them vote if it is on group conscience, but only 1 vote. Vote as GSR, but not as officer. DCM is the only one who cannot vote or make motions. Has been that way and haven't had any issues with it.
 - ▣ Mark B., DCM D27 – Officers can vote except for DCM. There have been times where officers were temporarily serving as GSR. Everyone understands that we try not to let that happen, but it has happened. It is usually only temporary so not a big issue in their District.
 - ▣ Olivia A., DCM D63 – Officers do have a vote in D63. Discouraged for GSRs to hold 2 positions. Nothing banning it but discourage. Spirit of Rotation and it is a lot of work to be a GSR and also to do other work as a District officer. Can they be of maximum effectiveness doing both jobs? Was in a group where the GSR became a District Officer and the GSR position remained entity until the group realized that they didn't have a voice / vote.
 - ▣ Erin R., DCM D40 – Reviewed her Structure Manual. GSRs have been officers in the past. For DCM, it says if they were GSR, someone else has to fill the GSR position. They frown upon people being GSR and officer. She was GSR & Secretary & GSR & Workshop Chair. When she was ADCM, she told her group that she was not going to be the GSR.
- Tom W., DCM D67 – Presented at District and Homegroups to support their GSRs to go to EPGSA. Expensive and need to plan. Home Groups still cannot afford to send GSRs. Is this a problem? Yes. – Past Delegate came and spoke about EPGSA and asked about what the registration was paying for? Was told past delegates that are not on the committee get their rooms paid for for 2 nights. Makes sense to pay for the Convention Committee members. Was told that we pay for someone's widow to attend and the GSR felt sick. Question is when did this practice start and have you had these conversations with your GSRs?
 - ▣ Olivia A., DCM D63 – Any Area Officers have any answers to the question?
 - Dan Delegate – Has not looked closely at the details of the finances. Does know that past delegates rooms are covered. Does not know where that fits into the entire Convention budget. Does not believe it factors into the registration cost. Try to keep it affordable. Convention tries to break even. Historical of when it started and how it influences, don't know. The framing of this (paying for things for others that don't deserve it) is disrespectful.
 - ▣ Tom W., DCM D67 – 8 on the committee. Not about if they deserve it. Concept 10 – since they are in charge of the activity, can we have them fund themselves?
 - Dan Delegate – Delegate has a voice. If the Area finds this to be important, it can be brought up in the next panel. Dan doesn't have the financial information.
 - ▣ Erin R., DCM D40 – Past Delegates are doing service work for the Area. GSRs are doing service work for their home group. There are 100s of GSRs and the Area cannot help pay for all of the GSRs. Not all 12 Past Delegates are going most likely. Has GSRs that can't afford to go.

Convention Treasury said it is important to fill the rooms to keep rate, otherwise we will lose it and will have to cover the costs.

- ☐ Dan, Delegate – we get so many concessions with the hotel and there are free rooms so it may cover these people. Don't know the monetary figure for past delegates not on the convention committee to attend. May be a lot, may be nothing.
- ☐ James R., DCM D49 – Not having this conversation in his district.
- ☐ Bob P., DCM D30 – D30 is helping the GSRs by providing scholarships.

- Analyzed expenses and Area will cover expenses and will have funds remaining, based on how much is spent. \$6,000 would be remaining funds if all expenses budgeted were spent. Ranging from \$6,000 - \$10,000.
- In light of declining contributions, should continue to reduce spending wherever possible.
- This past Wednesday, Finance looked back and in 2022, the contributions were very similar to what we are receiving now. Was \$88k then. Increase in 2023 & 2024 for contributions. Could have been groups contribution more after Covid.

The PI committee has prepped, planned and organized a D30 PI meeting inviting the public to hear about how A.A. can be a resource for the community. 32	9/11/2026	D32 is doing well. We have had (and are having) Area officers as our guest each month starting July and will do so each month through October so all will have had an opportunity to let the GSR's become a little familiar with them for the upcoming voting at EPGSA. We really appreciate the Area Officers for taking the time to come, especially since most have quite a hike !! I keep encouraging for the GSR's to work on their Home Groups to support their expense so they can attend EPGSA. We had 2 new GSR's (change over) at our August meeting. We started taking names for nominations/volunteers for D32 upcoming District Officers positions for 2027/2028 panel. We will do so again in Sept and vote in October. We do not have a Nov meeting but do a combined Nov/Dec meeting IN December (as we always do) due to the holidays.		4th Wed Every Month 7PM Tree of Life Church, 933 Baltimore Pike, Springfield PA	13 / 35

We are having a discussion/vote on the future of our district. October 8th, we are going to be visiting each meeting in person, again, leading up to this to inform them of the importance of this meeting and vote, basically a last ditch effort to get people involved or agitated that we are considering merging or some other solution for the district. I am trying to engage my DCMs with area officers to become more familiar with them when we vote at EPGSA. Each talk ended with a very spirited discussion finding its way back to the Literature change that was made on rite of decision at the conference. My District conscience is that they dont dissagree with the word change and the racist implications but since it was in the first 164 it should have gone to the groups.
